How to Get More Cash in your Business

What the big companies are trying to drive is consolidation, obviously, there are a lot of big companies that are evaporating before our eyes. The real issue here is CASH is King.

You've got to follow the cash. There's a great saying that 'earnings are opinion, cash is a fact'.

There are 4 sources to obtain cash, they are:

1. Shareholders
2. Finance
3. Capital reserves
4. Cash drivers

To have a sustainable business, maintaining and monitoring the cash drivers is essential.

The 6 cash drivers are.

1. Debtors
 2. Overheads
 3. Cost of goods sold
 4. Creditors
 5. Stock/inventory/WIP
- Plus Sales

By improving and maintaining the cash drivers you keep your business ready for growth.

Businesses put a lot of energy into growth and what happens is; the bucket of business has lots of holes, and as quick as the cash comes in from growth, the cash leaks out at double the rate.

Want to learn more about the cash drivers then the ebook "Cash is King" will help you put cash into your business.
